About me

Hello! My name is Michelle, and I'm the heart behind Bloom in Grace Photography. From a young age, I've been captivated by the art of capturing life's precious moments.

Photography has become my creative outlet, and I'm so grateful to be able to share this passion with others by serving my clients. When I'm not behind the camera, I'm a proud mom to two little boys and a homemaker during the day. Photography is my evening escape, where I can focus on capturing beautiful moments for people. Outside of photography, I enjoy running, traveling, savoring delicious food, cooking, and constantly learning how to better care for my family.

I'm so excited to work with you and truly honored that you're here. I can't wait to help capture your story!

Frequently Asked

When will I receive my photos?

For regular sessions photos are delivered within 2-3 weeks. Weddings are delivered within 6-8 weeks.

Do you offer mini sessions?

I do not! Over the years, I've found my style works best with full sessions. Mini sessions often feel too rushed. I want plenty of space and time for you to feel comfortable and relax into who you are together so I can document you both in the most authentic way possible!

How would you describe your editing style?

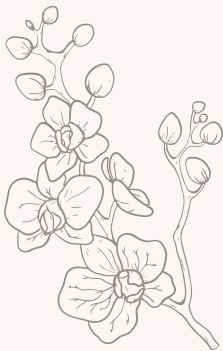

My edits are truer to life colors with a hit of warmth and nostalgia. Please note that I do not change or adjust my edits per request. My editing style is a key part of what makes my photos my brand and art!

How long will my gallery be available?

Galleries are available for 90 days. After that, you will no longer have access to download your photos.

Do you give us the raw photos?

Nope! I don't send any un-edited/raw files! Most of the magic happens during the editing process, so without that step your photos are only halfway done!

What do we wear to our session?

I would recommend neutrals + earthy tones as far as colors! Mixing textures and fabrics can be fun. Wear outfits that you feel really comfortable and amazing in! If you need help with outfits, I can absolutely help you with styling your session.

Do you charge travel rates?

Travel fees apply only to shoots outside of Orcutt/Santa Maria. Rates are based on the IRS standard mileage reimbursement rate. Planning a wedding outside of town? Let's connect!
